JOANNE SWAFFER

Joanne, It's been quite a year for you! It has been a pleasure to have a student as responsible and hardworking as you. You were a life saver for me when you graded, too, and for these reasons and many other memories, I'll remember you always. I hope all of your plans + goals are tremendous successes.

Best Wishes,
Nancy Rucker

We must learn to flow through life's changes like sailboats on the tide; the steady breeze of life helping us along the way.

We must quicken our senses, lest our ears become deaf to the songs that nature sings to cheer our silent hearts, celebrate our triumphant victories, and lull to sleep our weary souls

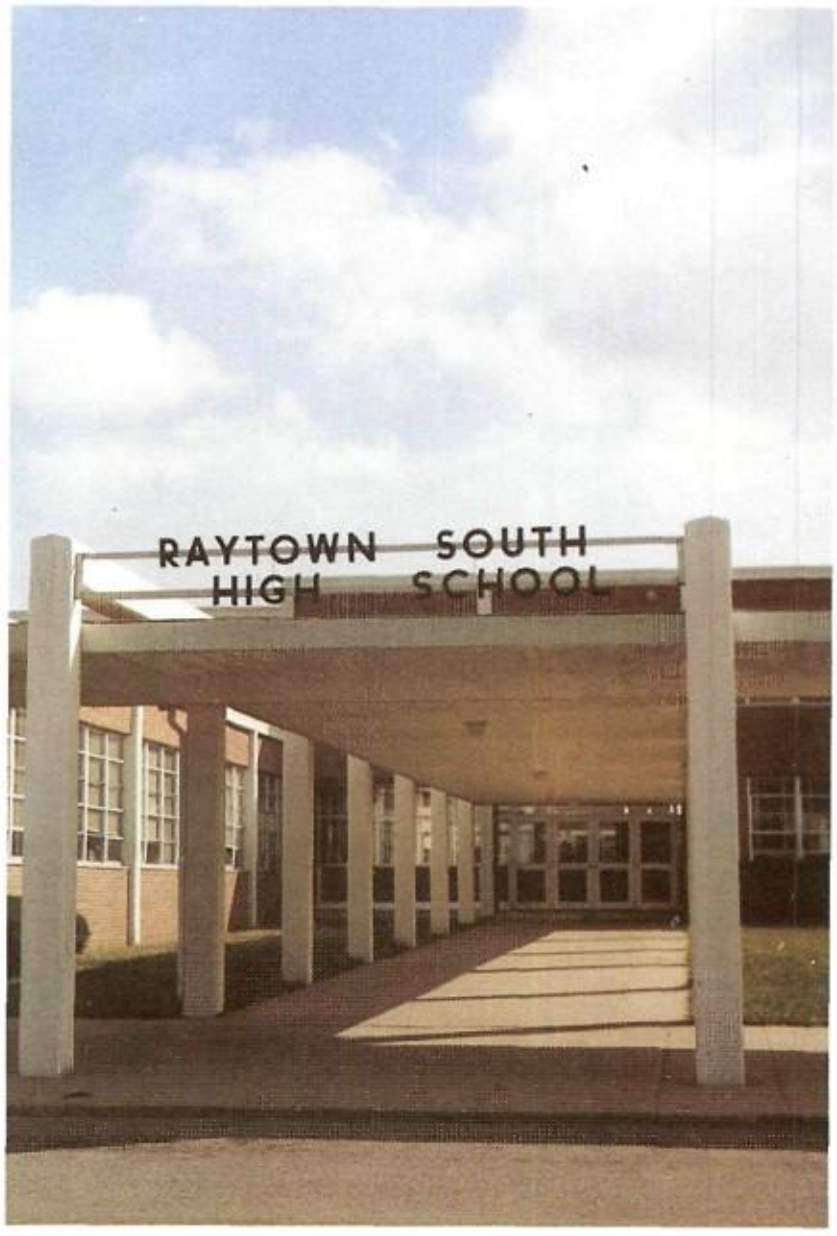
Places we go are mere structures until we fill them with our friends and memories which etch vivid moments in our minds forever.

Michelle Collins

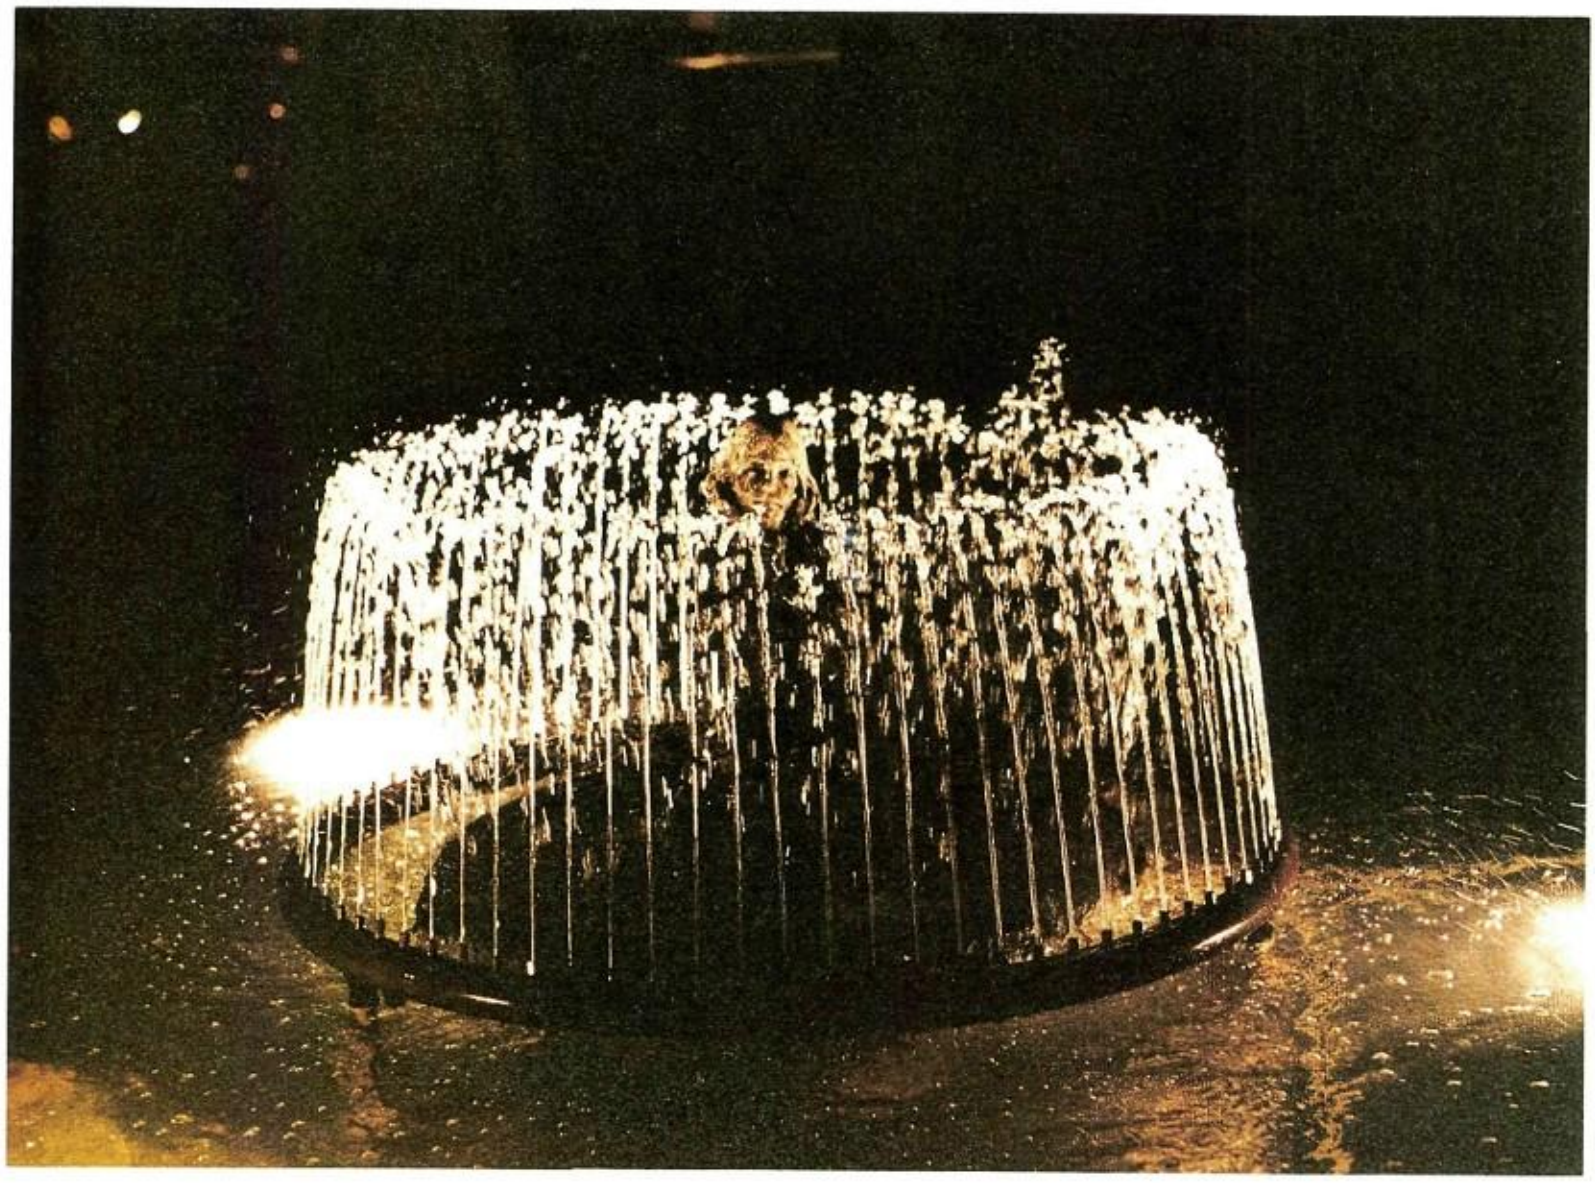
We have spent our time here and now it is time to leave, but before we go, we must look back and express our gratitude toward those who have brought us this far.

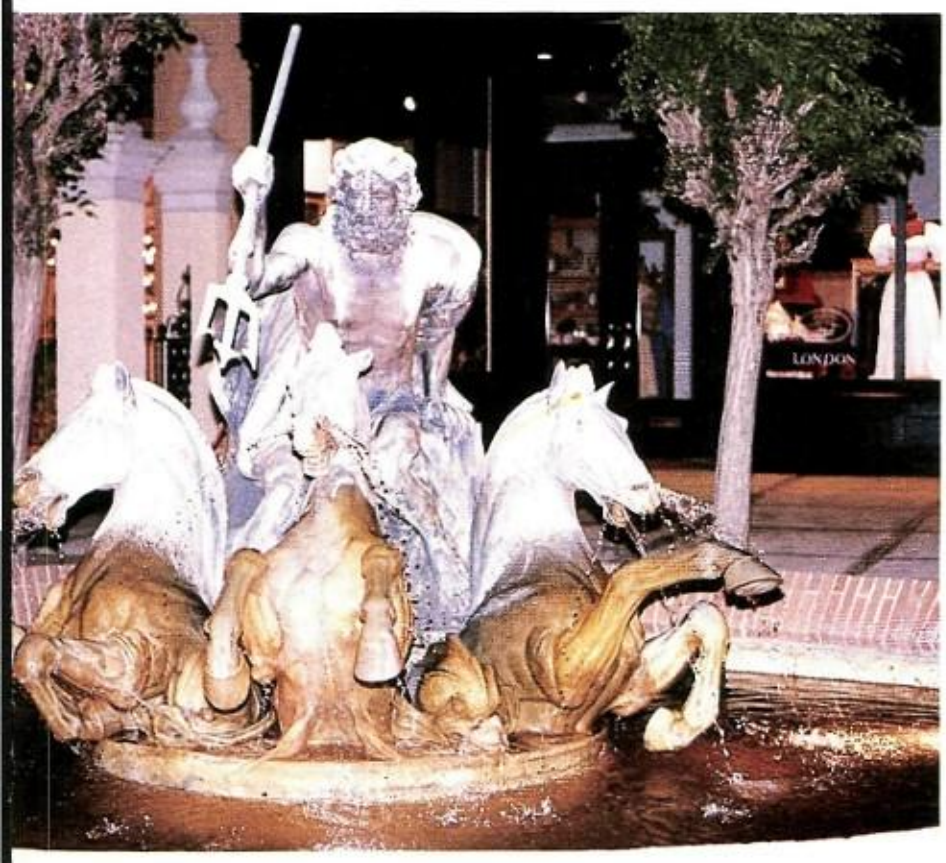
Stan Dobnikar



The dreams held together by books and classrooms are now released and become reality.

Michelle Collins





Each moment of the year has its own beauty, a picture which was never seen before and which will never be seen again.

National Activities Week

National Activities Week, held from October 15 through October 19, enabled students to participate in many activities throughout the school. There was a breakdance competition held after school in the gym, a fun run for students and faculty and a continental breakfast was served for club presidents during first hour. The big event of the week was a tug of war contest with each fourth hour class providing a team. The winners received a pizza party.

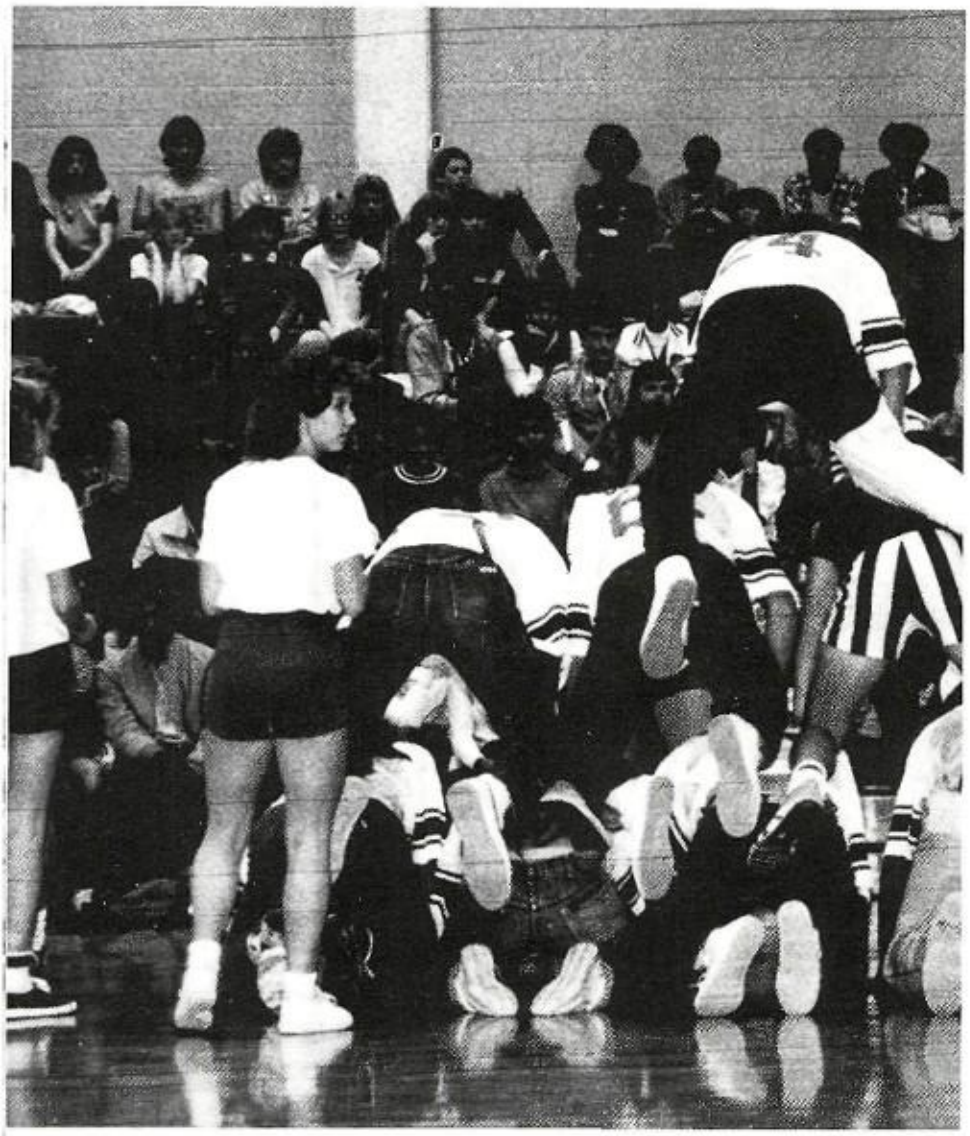
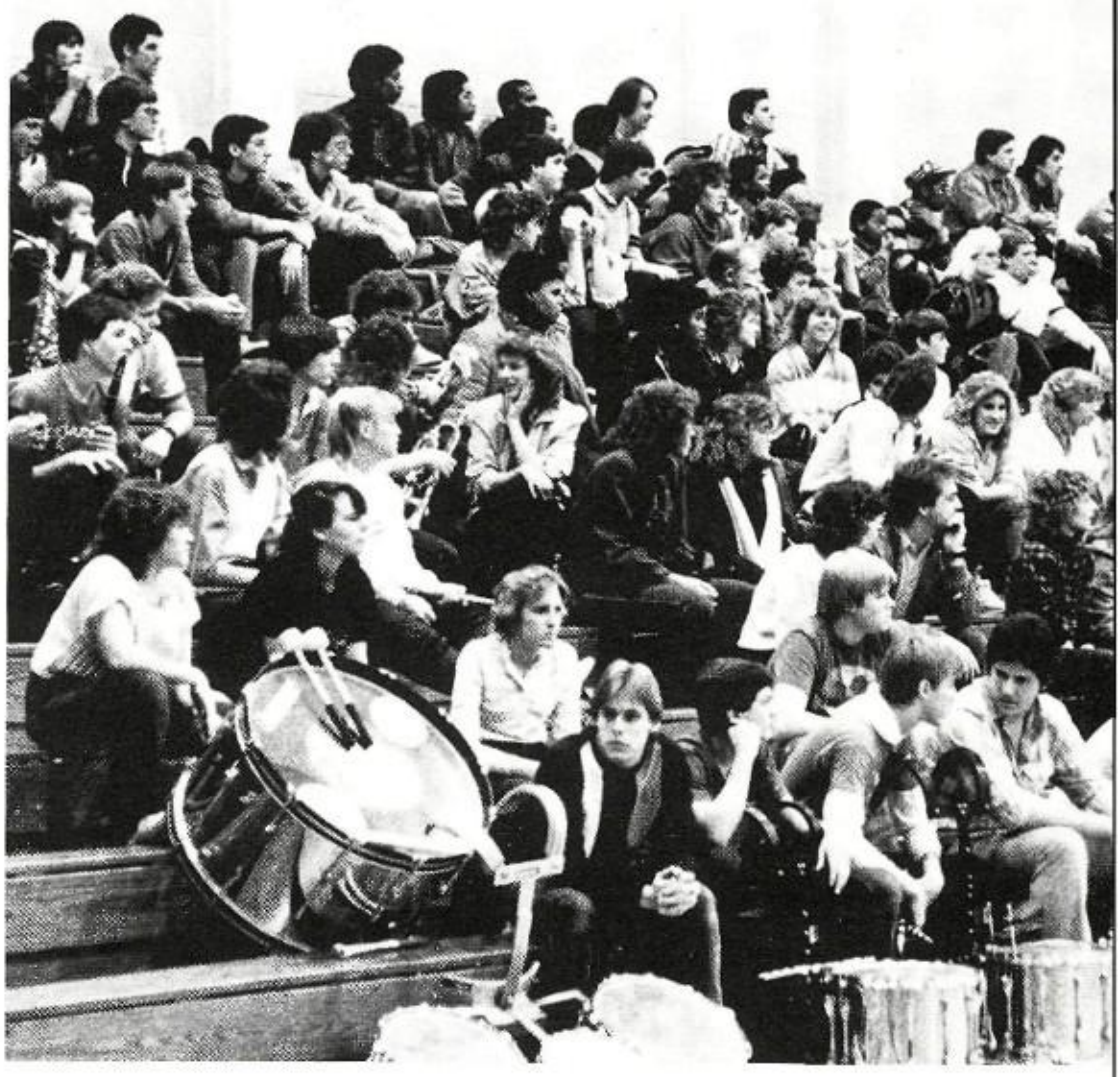
South Gets Psyched





▲ The pep band relaxes after their performance.

▲ The football players show the better side of their pyramid.

▲ The 1984-85 Varsity Football team "enjoying" the pep rally?

Every year the cheerleaders and yell leaders put on a pep rally the afternoon of the football game against South's rival Raytown. This year's theme was taken from the popular song Ghostbusters and was inserted with JAYBUSTERS. A game of Simon Says was played to get the players psyched up. The traditional two bits cheer concluded the pep rally.

Speaks Through Friendship

◀ Foreign Language Club takes first!

The Foreign Language Club's purpose is to help promote the customs, language and history of foreign countries. In recent years our unofficial theme has been "Think International." We have guest speakers, our own AFS student presentations, celebrations of special holidays, Christmas customs, preparations of foreign foods for taste treats and dinners which include foreign foods — one prepared at school and one at an authentic ethnic restaurant in the K.C. area.

This year we took first place (again) in the float competition for Homecoming. Our theme was "Unite Tonight in the Name of Love."

Lynda Carries On A Red & White Tradition

Thursday, August 23, 1984, presented warm, pleasant weather for the annual Raytown South Red and White football game. Halftime featured the crowning of the 1984-85 Red and White Queen. This years winner, Lynda Bassa, a junior, continued a tradition for the class of '86. For the past three years, this class has had their candidate crowned as Red and White Queen.

Candidates were selected from their own respective class football team, and the winner was determined by the number of Red and White game tickets sold by each individual class.

This years candidates were: Freshman — Pam Emery, escorted by Lance Kilgore; Sophomore — Debbie Bozich, escorted by Danny McVay; Junior — Lynda Bassa, escorted by Elliot Eley; Senior — Michelle Collins, escorted by Mike Young.

Kelly Dearing, the 1983-84 Red and White Queen, escorted by Danny Murphy, held the honor of crowning Lynda as the 1984-85 Red and White Queen.

The Fall Homecoming festivities, held on October 12, began with an all school assembly presenting the six candidates who had each been selected by various fall sport teams. Kim Shoemaker — Soccer; Stef Cobb — Student Council; Stasi Thompson — volleyball; Karen Sanger — Cross Country; Amy Tieman — Pep Squad; Lori Abney — football.

The voting was held in the third hour class following the assembly. Later that day, the homecoming parade led the way through Raytown to the football game against Ruskin. The halftime highlight was the crowning of Kim Shoemaker by Tracey Marlett, the 1983-84 Fall Homecoming Queen, and many congratulations followed. The dance was held after the game with the theme song, "In the Name of Love."

After the crowning, Kim receives congratulations from a fellow Cardette, Sharon Rothacher.

The Homecoming Queen Candidates were selected by four winter sports including Boy's Basketball, Wrestling, Girl's Basketball, and Swimming. The nominees were, respectively, Casandra Hundley, Heidi Derijke, Carrie Williams, and Michelle Collins. They were announced at the all-school assembly held Thursday February 14 after the winter sport's team members were introduced. The voting was held in the third hour classes following the assembly. The Homecoming game, played February 15 against Hickman Mills, brought victory to the Cardinals, while the half time ceremony brought Michelle Collins the Homecoming Crown.

Although Key Club sponsored the royalty portion of the evening, the Senior Class and Student Council were in charge of the dance that followed in the cafeteria. The theme "Queen of Hearts" celebrated Homecoming and Valentine's Day.

Plans for the Christmas assembly began the task of selecting 12 seniors to be candidates for the honor of Polaris King and Queen. Each school sponsored club was asked to choose a preliminary candidate for each title. These nominees were voted on by representatives from various clubs in order to narrow the list down to 12 people. These seniors were announced at the Christmas assembly which also featured the Chorale singing selections that included a medley from the fifties.

Voting was held in the third hour class following the assembly. Voters were asked to select from the following candidates: King — Jim Alexander, Mike Ryon, Elliot Eley, Was McCoy, Danny McVay, Bill Munholland. Queen — Nancy Gassen, Amy Hall, Stephanie Hickman, Trisha Miller, Amy Tieman, Dawn Dearing.

After Christmas break, and several rescheduled dates, the candidates drove down to the Westin Crown Center to have pictures taken. The election had shown Danny McVay and Dawn Dearing as the winning couple, and they were honored at Prom.

Where the only water flowing
is from the bitter sting of tears."

— Band Aid 1984 —

1984 brought the realization of mass starvation in Ethiopia to the rest of the world. In an effort to help the victims, Band Aid, a group of British rock stars, joined forces and raised money by performing the song "Do They Know It's Christmas."

1985

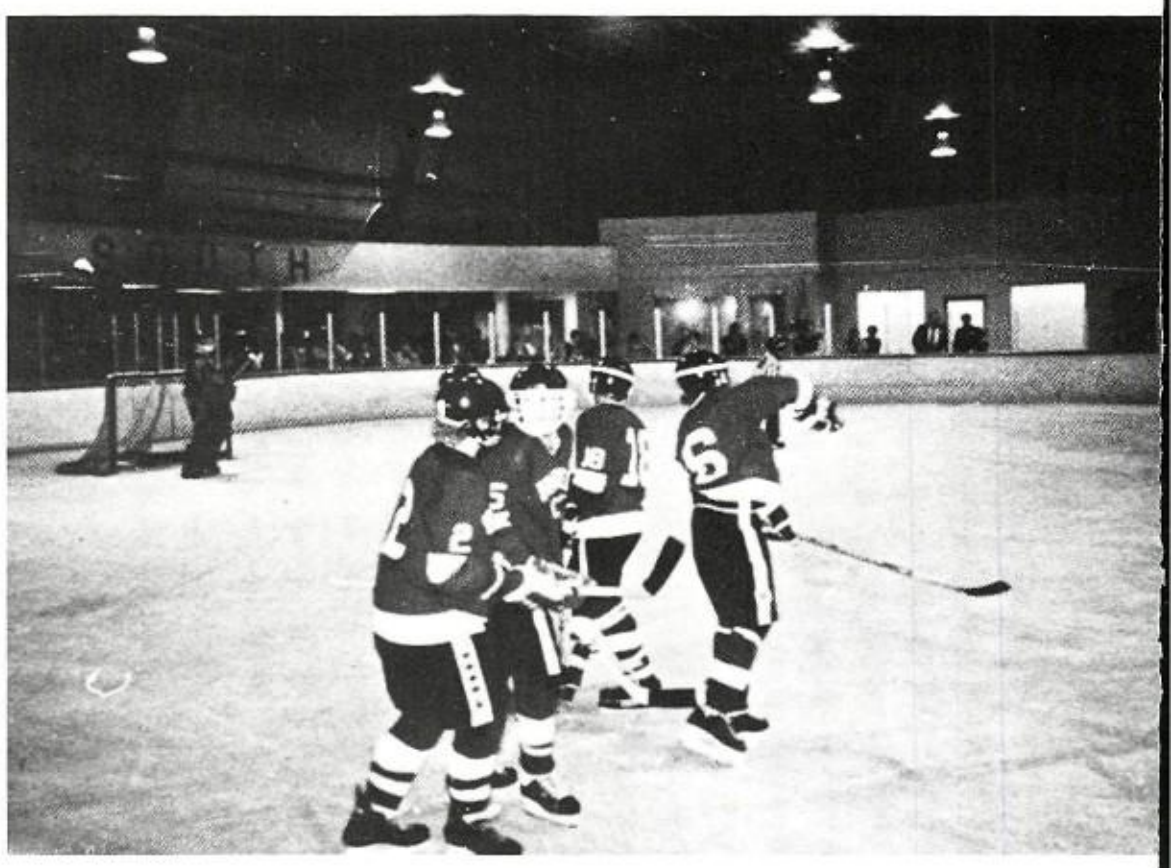
For over two months, "Right to Life" demonstrators voice their opinions on the twelve year anniversary of the legalization of abortion outside of Planned Parenthood in Kansas City, Missouri. In other cities there were similar protests.

On January 21, 1985, President Ronald Wilson Reagan took the oath of office for the second term. After defeating candidate Walter M. Mondale by the largest margin in the American Electoral college history.

In Memory of Jeff Harris

If there ever was someone to be an inspiration to us all it was Jeff. Even though Jeff fought against his leukemia, it wasn't a losing battle, the battle goes on . . . Jeff will always be remembered by us and will always live in our hearts. We love Jeff!

Friends forever,
Brad and Amy Hall



We'll keep you close as always
It won't even seem you're gone
Cause our hearts in big and small ways
Will keep the love that keeps us strong.

"Friends" —
Michael W. Smith

In Memory of Wendy Holscher

For the lamb in the center
of the throne shall be their
shepherd and guide them
to springs of the water of life;
and God shall wipe every
tear from their eyes.
